> speak upon the matter of which our corspondent treats. EDITORS APPEAL—We present above the opinion of Judge Ballard, who held the district court at its November session, on the demurrer to the indictment against the Gibson county parties. This opinion was delivered off-hand on the Decision of Judges Ballard and Emoccasion, and we are furnished with a rough copy of the notes of the decision. The charge laid against the accused was of conspiracy to deprive certain citizens of African descent of their rights under he constitution and laws of the United States, to-wit: The right to their lives on account of their race. The court eld that this charge did not describe a erime against any law of the United

states founded upon the constitution because the right of a citizen to his life within and dependent upon the guardianship and protection the State, whether he Caucasian or an African. The public may think it strange, after this decision Previous Decision of Judge Ballard that these persons are yet held for trial by the Federal court, on another indictnent growing out of the same act; but there is no inconsistency in this proceeding, and it is desirable that the people who are in harmony with both their governments, State and Federal, should inderstand how this can be. We appre hend that there is not the slightest doubt In the United States court yesterday that the opinion of Judge Ballard is cor Jedge Ballard delivered quite a lengthy rect.
